Take Yeast the Best Way With Iron-In Dainty Tablet Form, as in "Ironized Yeast."

Thousands now realise that there is only one thoroughly efficient way to take yeast for health—in concentrated tablet form combined with organic iron—as is found in Ironized Yeast. Many find that when yeast is taken this way results are often obtained in half the usual time! This is because Ironized Yeast is rich in two substances which are absolutely essential to health—vitamines and iron. By increasing the neurishing powers of your food, and by feeding your blood with the iron needed to make it rich, red and powerful. Ironized Yeast helps you to put on solid flesh where it is needed, to increase your strength and energy, to build up your shattered nerves and to clear your skin of humiliating pimples, blackheads, etc. Try it for a few days and watch the results!

results!

Ironized Yeast is pleasant to take, will not upset the stomach and is more economical than common yeast. Each package contains 60 individually wrapped tablets (10 to 15 days' treatment) and costs only \$1.00. Special directions for children. Sold at all druggists. Don't accept substitutes. For sale by the Peoples Drug Stores and by good druggists everywhere.
